Potentate

Nobles:

Immediately after the Imperial Council Session in Seattle last July, an invitation was extended to Imperial Potentate Clyde I. Webster to visit Medinah Temple and I am happy to inform you that he will be our guest at this Ceremonial.

I sincerely hope that you will be on hand to help us do full honor to this distinguished Noble.

And, you are wanted for another reason. You are wanted to help us practice the philosophy of Shriners—the things we agreed to all along our pathway through the many degrees of Masonry.

Then too, there is another very important thing that you and I have to do and that is to help to restore to membership the hundreds of fine Nobles who terminated their membership in the Shrine during the trying times of the past few years when conditions over which they had no control brought them face to face with financial embarassment.

Many of these Nobles have recovered financially and are ready to assume membership in their Temple. Perhaps in your own circle of close friends there is a Noble in the category described and he needs only an urgent suggestion from you to bring him back into the ranks.

Dues do not accrue continuously against former members. Reinstatements may be arranged on a very favorable basis. If you have in mind a former member who you think would be interested in reinstating, persuade him to take this step and communicate his name and address to the Recorder so that he may also contact him.

Your service in his direction will be greatly appreciated by the officers of your Temple.

There are a lot of happy greetings awaiting you from your fellow Nobles. Make your arrangements so as to be with us on Friday, November 20th, 1936. Please remember that November 20th is the third Friday of the month—a week earlier than our regular night.

Yours in the Faith,

Carl A. Miller

CLYDE I. WEBSTER
Imperial Potentate

ILLUSTRIOUS NOBLE CLYDE I. WEBSTER

Imperial Potentate

Imperial Potentate Clyde I. Webster was born at Eaton Rapids, Michigan, August 10, 1877. He was graduated from the Literary Department of the University of Michigan with the degree of Ph.B. in 1899. He entered the Law School of the University of Michigan and graduated in 1901 with the degree of LL.B. He located for the practice of his profession in the City of Detroit where he engaged successfully in the practice of law from June, 1901, to August, 1912. In the latter year he was appointed United States Attorney for the Eastern District of Michigan by President William H. Taft, in which position he served from 1912 to 1916. The new Imperial Potentate was elected Judge of the 3rd Judicial Circuit of Michigan in 1917 and continues to serve the Circuit in that capacity, his present term expiring on January 1, 1942. It is interesting to observe that he is the Dean of the Wayne County Circuit Bench which is comprised of eighteen Judges.

While his time is very fully occupied on the bench, he has also been a member of the Detroit Rotary Club since 1913 and was honored with the Presidency of the Detroit Club for the year 1921-1922.

Illustrious Noble Webster has had an interesting Masonic career. He was raised to the Sublime Degree of Master Mason at Eaton Rapids, Michigan on June 2, 1899. He demitted to Corinthian Lodge, No. 241, at Detroit, and became Master of this lodge in 1934. He is a member of King Cyrus Chapter, Royal Arch Masons, and Monroe Council of Royal and Select Masters, both of Detroit. He holds Scottish Rite membership in Detroit Consistory in which body he has been signally honored, receiving the honorary 33rd degree in the Northern Jurisdiction at Boston, Mass., on September 27, 1918. He is a member of Detroit Commandery, No. 1, K.T., and has been a member of the Old Guard of this Commandery since 1927.

The Imperial Potentate has been a member of Moslem Temple of Detroit since 1908, and served as Potentate of this Temple in 1925. He is a Past Director of Court No. 28, Royal Order of Jesters, of Detroit, and a Past Sovereign of St. Clement Conclave of the Red Cross of Constantine, also of Detroit. His talents were recognized by the Imperial Council in his election as Imperial Outer Guard at the Imperial Council Session held in Miami, Florida, in May, 1928, and he was elected Imperial Potentate at the session held in Seattle, Washington, in July of the present year. He has given very generously of his time and talents to the service of Masonry and the Shrine, and is identified with many prominent civic movements in the city of his adoption.

The Recorder Says:

CEREMONIAL

Friday, November 20, 1936

Nobles, what does this heading mean to you? Just a place to spend an evening? Just some fun? Surely, it has a far greater value. Medinah Temple has a large place in this community, and your membership, therefore, must be of great value. The contacts and friendships formed and continued within and without the Temple must have an unpriced value.

The quiet, unassuming, but insistent call of the Crippled Childrens Hospital must give great satisfaction to you to know that you are a part of this work. In this connection I would remind you of the Permanent Fund being raised for these hospitals—$60.00 paid in brings you a Life Membership and you will not then pay any more assessments.

A GREAT BIG MEDINAH PAGEANT

Together with

Philco's world-renowned Radio Commentator

BOAKE CARTER

Two evenings — **Wednesday, December 9th** and **Thursday, December 10th** — 6:45 sharp each evening

Admission, 50c per person

After the Entertainment there will be Dancing in the Banquet Hall

No Reserved Seats

Buy your tickets at the Temple, or you may get them by mail if you desire. Use the enclosed order blank.

Open to the public: This means that it will be necessary for Nobles and their friends to buy their tickets just as early as possible to obtain admission, for when the house is sold out, no more tickets will be sold and because of this feature no refund can be made for tickets not used.

●

The proceeds from this most unusual entertainment will be used for establishing a fund to purchase new uniforms for our organized units.

IT IS seldom, indeed, that Medinah invites the public to see her Uniformed Organizations, Marshals, Ceremonial Masters, and Officers in their official regalia and in Pageantry and add to this, the one and only Commentator, BOAKE CARTER. You will have spent one of the most interesting evenings you have ever had. Buy your tickets early and come early.

Boake Carter

Boake Carter will make his daily Broadcast on a Coast to Coast network (the regular Philco Broadcast) on these two days from Medinah's stage and at his regular hour—6:45 each evening.

After The Broadcast and The Pageant, Boake Carter will tell us of his world-wide experiences and high-lights of his interesting world trips.

DOORS OPEN at 6:00 O'CLOCK—NO RESERVED SEATS

The Next Time
You or Your Wife Buys

JELLY - JAM - PRESERVES
or any kind of canned goods

Buy an extra unit and send it out to the

SHRINERS' HOSPITALS FOR CRIPPLED CHILDREN

Don't delay, and please don't do this but one time. A jar or a can a month from a number of homes would mean a great deal to the kiddies, whereas in your home alone you wouldn't miss the cost of but one unit, and too, after your first trip to the Hospital, you'll come again and again.

You'll be made welcome because we want you to come just as often as you can.

Visiting hours are from 2 to 4 o'clock
every Sunday afternoon

SHRINERS' HOSPITALS
FOR CRIPPLED CHILDREN
2211 No. Oak Park Ave. - - - CHICAGO

There are always at least six Nobles of Medinah Temple on duty every Sunday who take great pleasure in ushering visitors throughout the Hospital.

And, here's another way you can help—

Save your old newspapers and when you have about two hundred pounds or more, telephone **Monroe 4118** and we will arrange to pick them up. The returns to us are well worth the time and efforts we put into this salvage service.

And too—

Our annual Christmas Party for the kiddies will be held on the first Saturday (2 o'clock p. m.) before Christmas. You are invited to come. Little gifts for the kiddies will be acceptable.

Think This Over

PAY YOUR DUES

It must be obvious that the Temple cannot long carry many members who do not pay regularly the obligation that belongs to every Shriner. What is generally not known or understood is that the Recorder has other reasons for grieving over the fact that members desert him in his trying hours.

It is this:—

Whether a Noble pays or not the Temple pays. It pays the per capita for each Noble and it pays the Shriner's Crippled Children's Hospital dues to the Imperial Council for every member that is not dropped from the rolls of the Temple for non-payment. To be sure, we have carried many Nobles for a short time—lest they be lost forever by having their names stricken from the rolls. But there comes a time when we must act.

It is not the fault of the Potentate. His hand has been forced. It is not in the opinion of the Potentate and his Divan, an honest policy to take from the Nobles who pay and give to those who do not.

Medinah is worth at any time more than it costs. The little crippled children are the direct charge of every Noble wherever he may be. They are your responsibility. You may have neglected them in the past. Don't desert them now.
